

Welcome to E4/5 with Ms. Miller

Dear Parents and Students,

Welcome to Ms. Miller's E4/5 Class at Manhattan Academy. I hope that you had an invigorating summer filled with relaxation and excitement. Our classroom will be a dynamic and student-centered environment where students will be able to explore, experiment, and read and write about English, Math, Science, and Social Studies. In order to become scholars of the highest degree, I ask students to come to school with their supplies and homework and with a well-rested and curious mind.

Class Rules

- Students make this space a community of peace, a safe place where all are treated with kindness and respect.
- Students come to class prepared and ready to do quality work.
- Students follow all procedures.

Homework: Homework is essential for recalling and applying the material learned in class. It will be assigned Monday through Thursday, and it should take about one hour to complete.

Academic Grade – Grades in English, Math, Science, and Social Studies are based on the following:

- Classwork
